

STAR TRAC® Rear Drive Elliptical

COMFORT MEETS CONNECTIVITY

Elliptical training has become second only to treadmill training in facilities across the globe and it has become one of the most important cardio categories in the eyes of many clients. When designing our 8-Series Rear Drive Elliptical, we wanted to create a comfortable and natural stride pattern, while offering user-centric safety features and the industry's best entertainment solutions. With the availability of the new OpenHub consoles this classic piece of cardio equipment becomes the complete package, offering users both comfort and connectivity.

The 8-Series comes with a variety of new connectivity options as the first of its kind. Choose from the "OpenHub" console family which includes a 10" touch screen and

CONVENIENCE FEATURES LIKE WATER BOTTLE HOLDERS, A MEDIA SHELF, PERSONAL FANS & OPTIONAL TABLET HOLDER

ARTICULATING FOOT PADS & 18" STRIDE LENGTH CREATE A VERY COMFORTABLE AND NATURAL STRIDE PATTERN

SMART. AFFORDABLE. FLEXIBLE.

When we set out to design our new console, our philosophy was simple: provide a flexible platform that connects expert partners to provide solutions for every customer for today and into the future. Introducing the new OpenHub™ family of Cardio Consoles. OpenHub™ is a smart, affordable, configurable solution available on Star Trac® and StairMaster® cardio equipment. The best part is, you add (and pay for) only what you want, when you want. The future of club connectivity is here. The future is OpenHub™.

BUILD ON GREATNESS

At **Core Health & Fitness**, when we brought together fitness brands to build our company, we settled for nothing but the best. Four iconic brands that pioneered entire categories and whose machines are still the ones **members ask for by name**. Today, we're committed to continuing the tradition that started decades ago – and that's greatness you can feel good about building your business on.
